**SPACEGUARD PRODUCTS ANNOUNCES THE PROMOTION OF HAURIS LEWIS
TO EXECUTIVE VICE PRESIDENT OF SALES & ENGINEERING**

SEYMOUR, Ind., Oct. 16, 2023 – SpaceGuard Products, a pioneering manufacturer of wire mesh partitions, is delighted to announce the promotion of Hauris Lewis to the position of Executive Vice President of Sales & Engineering. In this pivotal role, Hauris will oversee the Sales, Marketing, Customer Service, and Engineering departments, steering the company's strategic direction towards continued growth and success.

Hauris Lewis embarked on his remarkable journey with SpaceGuard Products in 1989, when the company was known as Ford Wire Partitions and headquartered in Indianapolis, IN. Over the course of the past three decades, Hauris has demonstrated unwavering commitment, dedication, and exceptional leadership within the organization. His contributions have been instrumental in SpaceGuard's transformation into an industry-leading manufacturer of wire mesh partitions.

"In recognizing Hauris Lewis's promotion to Executive Vice President of Sales & Engineering, we are reaffirming our commitment to innovation, customer-centricity, and excellence in every facet of our operations," said Eddie Murphy, Owner and President of SpaceGuard Products. "Hauris's leadership, honed over 34 years of dedicated service, perfectly aligns with our vision to maintain our position at the forefront of wire mesh partition solutions, ensuring that our customers continue to receive the highest quality products and services."

In his most recent role as Vice President of Emerging Markets, Hauris focused on cultivating and expanding specific market sectors within the United States. This role allowed him to leverage his deep industry knowledge and create tailored solutions that met the unique needs of SpaceGuard's diverse clientele.

Hauris Lewis's remarkable 34-year tenure at SpaceGuard Products is a testament to his dedication and passion for the company's mission. He firmly believes in the importance of continuous education and adaptation to stay at the forefront of industry trends. Hauris's forward-thinking approach aligns perfectly with SpaceGuard's vision to remain at the cutting edge of wire mesh partition solutions, ensuring that customers receive the highest quality products and services.

SpaceGuard Products is confident that Hauris Lewis's promotion to Executive Vice President of Sales & Engineering will usher in a new era of innovation and growth for the company. His leadership will be instrumental in further solidifying SpaceGuard's position as an industry leader while enhancing customer satisfaction and driving the company's success.

About SpaceGuard Products

SpaceGuard Products is a leading manufacturer specializing in wire mesh partitions and area guarding solutions. Our extensive product range includes machine and robotic guarding, wire mesh storage lockers, rack safety panels, industrial traffic barriers, elevated platform guarding, and rack repair solutions.
